GRAPHIC DESIGNER

Proficient Graphic Designer with a strong focus on delivering impactful visual solutions and achieving design outcomes. With extensive experience overseeing graphic design operations in both digital and print media. In addition, I contribute my skills as a production team member and graphic designer for the Social Communications Ministry at Mary Queen of Apostles Parish, where I support the design and execution of various communication materials.

Brand Development

EXPERIENCE

Social Communications Ministry
Production Team Member

February 2023 - Present

As a Production Team Member in the Social Communications Ministry, I have successfully demonstrated and creative skills by supporting the development of media content to engage and inspire our community. My contributions include leading projects and creating visual content that strengthens parish communications and fosters a greater sense of connection.

Accomplishments:

- Helped achieve a substantial increase in engagement by producing consistent, high-quality multimedia content that resonates with parishioners and online audiences alike.
 - Collaborated closely with ministry members to align on content strategy, production schedules, and project goals, ensuring that each project upholds the parish's values and mission.
 - Utilized expertise in graphic design, videography, photography, and video editing to produce polished, visually appealing content that upholds the parish's visual standards.
